

DOCUMENT INSPECTION AND COPYING POLICY

WHEREAS, pursuant to Section 209.005(i) of the Texas Property Code, as amended, the Board of Directors of **Tanglewood Estates Property Owners Association, Inc.**, a Texas nonprofit corporation, (the "Association") is required to adopt a record production and copying policy that prescribes the costs the Association will charge for the compilation, production and reproduction of the books and records of the Association.

RESOLVED, in order to comply with the provisions of Chapter 209 of the Texas Residential Property Owners Protection Act, the following procedures and practices are established for the compilation, production and reproduction of the Association's books and records, and such procedures are to be known as the "Document Inspection and Copying Policy" of the Association (the "Policy").

1. **Purpose.** The purpose of this Policy is to establish orderly procedures for the levying of fees and to notify Owners of the costs to be incurred associated with the compilation, production and reproduction of the Association's books and records in response to an Owner's request to inspect the Association's records.
2. **Records Defined.** The Association's books and records available for inspection and copying by Owners are those records designated by Section 209.005 of the Texas Property Code. Pursuant to Section 209.005(d) of the Texas Property Code, attorneys' files relating to the Association, excluding invoices, are not records of the Association, are not subject to inspection by Owners, or production in a legal proceeding. Further, pursuant to Section 209.005(k), the Association is not required to release or allow inspection of any books and records relating to an employee of the Association, or any books and records that identify the violation history, contact information (other than the address and/or financial information of an individual Owner) absent the express written approval of the Owner whose information is the subject of the request or a court order requiring disclosure of such information.
3. **Individuals Authorized to Inspect Association's Records.** Every Owner of a Lot in the Subdivision is entitled to inspect and copy the Association's books and records in compliance with the procedures set forth in this Policy. An Owner may submit a designation in writing, signed by the Owner, specifying such other individuals who are authorized to inspect the Association's books and records as the Owner's agent, attorney, or certified public accountant. The Owner and/or the Owner's designated representative are referred to herein as the "Requesting Party."
4. **Requests for Inspection or Copying.** The Requesting Party seeking to inspect or copy the Association's books and records must submit a written request via certified mail to the Association at the mailing address of the Association or its managing agent as reflected on the Association's current Management Certificate. This address is subject to change upon notice to the Owners, but the Association's current mailing address as of the adoption of this policy is:

Tanglewood Estates Property Owners Association, Inc.
1927 Columbus Avenue
Waco, Texas 76701
Attn: David Mercer

The request must contain sufficient detail describing the requested Association's books and records, including pertinent dates, time periods or subjects sought to be inspected. The request must also specify whether the Requesting Party seeks to inspect the books and records before obtaining copies or to have the Association forward copies of the requested books and records to the Requesting Party.

5. **Inspection Response.** If the Requesting Party elects to inspect the Association's books and records, the Association shall notify the Requesting Party within ten (10) business days after receiving the Requesting Party's request of the dates during normal business hours that the Requesting Party may inspect the requested books and records (the "Inspection Notice"). If the Association is unable, to produce the requested books and records by the tenth (10th) business day after the date the Association receives the request, the Association must provide written notice to the Requesting Party (the "Inspection Delay Letter") that (a) the Association is unable to produce the information by the tenth (10th) business day after the date the Association received the request, and (b) state a date by which the information will be either sent or available for inspection that is not later than fifteen (15) business days after the date of the Inspection Delay Letter.

6. **Inspection Procedure.** Any inspection shall take place at a mutually agreed upon time during normal business hours. All inspections shall take place at the office of the Association's management company or such other location as the Association designates. No Requesting Party or other individual shall remove original records from the location where the inspection is taking place, nor alter the records in any way. All individuals inspecting or requesting copies of records shall conduct themselves in a businesslike manner and shall not interfere with the operation of the Association's or management company's office or the operation of any other office where the inspection or copying is taking place. At such inspection, the Requesting Party may identify such books and records for the Association to copy and forward to the Requesting Party. The Association may produce all requested books and records in hard copy, electronic, or other format reasonably available to the Association.

7. **Costs Associated with Compilation, Production and Reproduction.** The costs associated with compiling, producing and reproducing the Association's books and records in response to a request to inspect or copy documents shall be as follows:

(a) Copy charges.

(i) Standard paper copy. The charge for standard paper copies reproduced by means of an office machine copier or a computer printer is \$0.10 per page or part of a page. Each side that contains recorded information is considered a page.

(ii) Nonstandard copy. The charges in this subsection are to cover the materials onto which information is copied and do not reflect any additional charges, including labor, that may be associated with a particular request. The charges for nonstandard copies are:

(A) Diskette--\$ 1.00;

(B) Magnetic tape--actual cost

(C) Data cartridge--actual cost;

(D) Tape cartridge--actual cost;

(F) Rewritable CD (CD-RW)--\$ 1.00;

(F) Non-rewritable CD (CD-R)--\$ 1.00;

(G) Digital video disc (DVD)--\$ 3.00;

(H) JAZ drive--actual cost

(I) Other electronic media--actual cost;

- (J) VHS video cassette--\$ 2.50;
 - (K) Audio cassette--\$1.00;
 - (L) Oversize paper copy (e.g.: 11 inches by 17 inches, greenbar, bluebar, not including maps and photographs using specialty paper)--\$.50;
 - (M) Specialty paper (e.g.: Mylar, blueprint, blue-line, map, photographic)--actual cost.
- (b) Labor charge for locating, compiling, manipulating data, and reproducing information.
- (i) The charge for labor costs incurred in processing a request for information is \$15.00 an hour. The labor charge includes the actual time to locate, compile, manipulate data, and reproduce the requested information.
 - (ii) When confidential information is mixed with non-confidential information in the same page, a labor charge may be recovered for time spent to redact, blackout, or otherwise obscure confidential information in order to release the information. A labor charge shall not be made for redacting confidential information for requests of fifty (50) or fewer pages.
 - (iii) If the charge for providing a copy of information includes costs of labor, the Requesting Party may require that the Association provide a written statement as to the amount of time that was required to produce and provide the copy, signed by an officer of the Association. A charge may not be imposed for providing the written statement to the requestor.
- (c) Overhead charge.
- (i) Whenever any labor charge is applicable to a request, the Association may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the Association chooses to recover such costs, a charge shall be made in accordance with the methodology described in Paragraph (iii) of this subsection. Although an exact calculation of costs will vary, the use of a standard charge will avoid complication in calculating such costs and will provide uniformity for charges.
 - (ii) An overhead charge shall not be made for requests for copies of fifty (50) or fewer pages of standard paper records.
 - (iii) The overhead charge shall be computed at twenty percent (20%) of the charge made to cover any labor costs associated with a particular request (example: if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, \$15.00 x 0.20 = \$ 3.00).
- (d) Postal and shipping charges. The Association may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the Requesting Party.
- (e) Notwithstanding the foregoing, the foregoing costs may not exceed costs that would be applicable for an item under 1 T.A.C. Section 70.3.

8. **Payment.** Upon receipt of a request to inspect or copy documents, the Association may require the Requesting Party to pay the estimated costs associated with production and copying in advance, if the estimated cost of compilation, production and reproduction is different from the actual cost, the Association shall submit a final invoice to the Owner on or before the thirtieth (30th) business day after the Association has produced or delivered the requested information. If the actual cost is greater than the estimated amount, the Owner must pay the difference to the Association within thirty (30) business days after the date the invoice is sent to the Owner, or the Association will add such additional charges as an assessment against the Owner's Lot in the Subdivision. If the actual cost is less than the estimated amount, the Association shall issue a refund to the Owner within thirty (30) business days after the date the invoice is sent to the Owner.

9. **Definitions.** The definitions contained in (a) that certain Declaration of Protective Covenants, Conditions and Restrictions dated March 3, 2021, recorded on March 11, 2021, as McLennan County Clerk's Document No. 2021008795 in the Official Public Records of McLennan County, Texas, pertaining to Tanglewood Estates Addition, Phase 1A, an Addition to the City of Woodway, McLennan County, Texas, and (b) the Bylaws for the Association, are incorporated herein by reference.
